***LECTORS – Please turn on the sound system before Mass begins by turning on the power strip located on the floor in the choir loft. Make the announcements 5 minutes before Mass. Turn on the microphone at the ambo by pressing the power button on the unit located on the first shelf. The green light will come on. The cue for the Prayers of the Faithful is during the Profession of Faith “We believe in one, holy, catholic, and apostolic Church.” After Mass, please turn off the microphone and the sound system.**

***EXTRAORDINARY MINISTERS OF HOLY COMMUNION – Please proceed to the front of the altar IMMEDIATELY after the congregation says “Lord, I am not worthy that you should enter under my roof, but only say the word and my soul shall be healed.” This way you are ready to bow as Father takes communion and then proceed to the left side of the altar.**
