## **Mission and Function**

The St Patrick's Catholic Cemetery is administered by the Cemetery Committee under direction of the Parish Pastoral Council.

Saint Patrick Cemetery is established to carry out the sacred religious function of the burial and care for the resting-places of the deceased. The committee is dedicated to the respectful care of the people of God who even in death remain a part of the whole Christian community and encourage Catholic prayer and devotion for our deceased brothers and sisters, especially in our cemetery.

The function of the cemetery as a sacred place of prayer and devotion is carried out through:

- The maintenance and care of the cemetery grounds and landscaping.
- Repair and maintenance of tombstones, statuary and hardscape at the cemetery.
- Coordination with the Funeral Homes to properly mark and identify graves.
- Maintaining accurate records on agreements for cemetery plots.
